

Register of Intent

Registration of intent to achieve Baby Friendly Community Initiative Accreditation

It is important to register your intention to work towards Baby Friendly accreditation with the New Zealand Breastfeeding Authority (NZBA).

NZBA offer a one day workshop entitled "BFCI Getting Started" as the first step towards engagement in the Baby Friendly Community Initiative. Information on this workshop (programme and costs) are available on our website or by contacting the NZBA administrator at info@nzba.co.nz.

Please complete this form and submit it to NZBA. We will then arrange a date for your service(s) / grouping's "BFCI Getting Started" workshop.

Name of grouping:

Name of the service(s) included:.....

.....

.....

Number of staff in this service(s):.....

Number of mother and baby pairs who have attended the service in the past year (or recent 12 month period):

Signed (head of service or lead manager):

Date:
